Help Wanted: Emergency Medical Technician

NJ Field of Dreams is an off-road facility located at 1951 W. Buckshutem Rd in Millville, featuring tracks for motocross, ATV and trails. Field of Dreams is in need of part-time EMT's.

The responsibilities of the position include:

- Support Field of Dream's mission: excellence in service and the provision of a safe, family-orientated environment.
- Basic Life Support Service, including rescue, triage, transfer, transport of emergency patients. This includes assessing the needs of patients using accepted national and state standards for the EMT-B and setting priorities of care rapidly and accurately under all conditions including extremes in climate and in varied environments.
- Provide clear and properly executed documentation of assessment, patient information and medical interventions. This position is responsible for completion of all documentation on a daily basis. This includes all patient care reports.
- Communicate effectively with customers to explain procedures, answer routine questions, establish rapport, etc. This position acts in a professional manner and maintains an effective working relationship with members of other EMS agencies, hospitals, patients and families, law enforcement and fire department personnel, when needed both on and off the track.
- Support NJ organizational goals by providing quality customer service, participating in performance improvements efforts and demonstrating a commitment to teamwork and cooperation.

This position will have the following requirements:

- Must be 18 years of age or older.
- High school diploma or GED.
- Current CPR certification.
- Current EMT-Basic certification.
- 3 years EMS experience.
- Current NJ Drivers license.
- Ability to work calmly under stress.
- Ability to work with customers in a clear, polite & friendly manner.

Field of Dreams hours:

Monday, Tuesday, Thursday and Friday..... Closed

Saturday and Sunday.....10am-5pm

Wednesday.....12pm-6pm
