## Help Wanted: Safety Administrator & Announcer

NJ Field of Dreams is an off-road facility located in Millville, NJ. Featuring tracks for motocross, ATV's and trails. Field of Dreams is seeking to hire a part-time Safety Administrator & Announcer for the Park's Control Tower.

The responsibilities of the position include:

- Support NJ Field of Dream's mission: excellence in service and the provision of a safe, family-oriented environment.
- Assure the safety of active riders and on-track medical staff upon a downed, stalled or injured rider.
- Be attentive at all times and alert the flaggers and on track medical staff of the downed riders track location.
- Keep time of practice sessions for all the tracks. Communicate with the entire safety crew (Flaggers & EMT staff) via a 2-way radio system. Coordinate rider classes, class rotation and track locations. Notify the flaggers when to checker the tracks for that practice session. Coordinate the start of the new practice sessions upon clearance of past practice sessions at each track.
- **Make multiple PA announcements about:**
  - Park rules, regulations and consequences if violated.
  - Upcoming events and facility sponsors.
  - The products that are sold at the park.
  - Upcoming class practice session and track location.

This position will have the following requirements:

- 18 years of age or older.
- High School Diploma or GED.
- Excellent communication skills.
- Must be prepared at all times, as on-track incidents can occur at any time.
- Ability to work in a family-friendly environment.
- An interest in Dirt Bike and ATV Racing is preferred but not required.
